

Early Start Eye Cream

Brighten. Tighten. Rewind Time.

Slow down time with **Rejuvaveen** as an age-defying, lipid-rich solution for radiant eyes. Pre-neutralized **CustoPoly 305** provides thickening along with **FARMAL® Konjac 1310**.

Lastly, **GCA-LA6** helps to provide a tightening feel. **Sumicos™ Silk Gold Mist SM222** gives a brightening effect to complete a formula that will reduce the signs of aging right before your eyes!
