

Weightless Texture Hair Mousse

Lift. Shape. Define.

Spread this lightweight texture foam designed to add volume, shape, and definition to hair without crunchiness. Formulated with **Pureact Gluco D** to create an airy foam, this mousse eases both dry and wet combing by smoothing the hair cuticles courtesy of the combination of **ResistHyal®**, **FLOCARE™ C111 HV** and **FLOCARE™ C139 PF**. The blend of natural extracts found in **Glossyliance™** rounds out this formula to ensure you're left with gorgeous hair shine.

The result is fuller, touchable hair with flexible hold, effortless body and a radiant shine.
